

1. Harmonize 和諧（英語）

詞：星雲大師／曲：佛光紐約青年團

演唱：Miguelito

The time has come to realize.
Without world peace we can't survive
Our past is one that's filled with war
Compassion is what we are looking for
It fills me up with so much hope
To realize how beautiful
This world could be without anger
Which drives us all against each other

Let's promise to us, our hearts and souls
With wisdom we can gain control
That's why we sing this song to you
Just don't lost faith we're here for you

So hold on and harmonize all that is wrong
And work for a peace which is strong,
And gain some respect for this earth
For all of mankind we will serve

※ Harmonize all that is wrong
And work for a peace which is strong
And gain some respect for this earth
For all of mankind we will serve

(repeat※
all repeat)

2. Vow To Be 我願 (英語)

詞：星雲大師／曲：Alfeuso Esposito
演唱：Zennith Rivers Eugene Tan

Vow to be a candle
Giving light to a world enshrouded
Vow to be a brush painting
Beauty everywhere around, and
Vow to be a streetlight
Shining on my way
Vow to be a book of wisdom
Let the truth be all you say, all you say

※ I vow to be
I vow to be
More than I am (repeat)
Ala de da ahh ~ la de da, de la da ahh (repeat)

Vow to be a flower
Bearing fragrance sweet perfume
Vow to be a cloud bringing
Coolness to the summer's bloom
Vow to be a breeze bringing
Comfort on the wind
Vow to be a rainbow bearing
Beauty from within, from within ~

(repeat ※ twice)

Vow to be the earth
Cradle every life
Vow to be the moon
Shedding summer silver light
Vow to be the sun
Shedding warmth on everyone
Vow to be
Vow to be

3. We are One 人我之間 (英語)

詞：星雲大師／曲：Jude Thaddeus Gitamondor
演唱：Rochelle Vega & Zennith Rivera

When I see all the colors of nature,
I perceive all the treasures to treasure,
Just like the leaves that sway in glee,
Joy comes to be to those who live as one.

When I hear all the music around me,
As the breeze of the heavens surround me,
Just like the bees that bring the honey,
We'll be free if only we are one.

※ Forget the "I," We are bound together, never come undone,
If we just try, we can stay forever ever warm and calm.
Let there be "us," we belong and coexist together,
No matter where we're coming from,
Like sister moon and brother sun,
We'll stop the gloom as long as we are one.

When I feel my heart beating inside me,
I am still for I know it will guide me,
Just like the humming of the drums, a new world starts
When hearts can beat as one

(repeat ※)

See you in me, me in you, then we can build life anew...
When I smell all the scents of the flowers,
I can tell they're not mine, they are ours,
Just like the trees that touch the sun,
We'll live in peace as long as we are one.
Just like the wind so soft and calm,
We'll be at ease, if only we are one.
Like sister moon and brother sun
We'll find true peace as long as
We are one.
We are one.

4. Wear a Smile

微笑的力量（英語）

詞：星雲大師／曲：Nino James L. Banares

演唱：July Ann Lauron

※ The power of your smile
Brings me to the heights
The color of your smile
Makes my world seem bright.
In my darkest nights
A smile could be a light
In the silence of my heart
A smile could make my life.

(Chorus)

Let the flowers grow
Let the music flow
Let every smile
Bloom into the garden of life
Let us warm every heart
Take a brand new start
Live a life, make it up
Take a breath, take a stop
Live and make your life worthwhile,
Wear a Smile.

(repeat ※
repeat Chorus)

You are my great redeemer
Your compassionate vow
Offers man a safe harbour

Knowing that at the moment of my fall
You're the only knower who responds to my call

You are my great redeemer

Leave man with an anchor to seek
I pray and appeal to thee knowing
That at the moment of my fall

You're the only knower who responds to my call
You are my great redeemer

6. Luz Do Coracao 點燈（葡萄牙語）

詞：星雲大師／曲：Los Omaguacas

Acenda a luz do seu coração
E illumine os cantos escuros que ainda possam haver
Que a luz do seu coração
Lhe traga esperança a qualquer momento
Que a luz do seu coração
Lhe traga esperança a qualquer momento

Que uma chama se torne duas, três e mais da luz que se multiplica.
Oference essa luz para quem chora de tristeza
E ao andarilho que se tenha perdido no caminho
Que a luz do seu coração
Lhe traga esperança a qualquer momento

※ Que a luz do seu coração
Lhe traga esperança a qualquer momento

11. 西へ 西方(日語)

詞：星雲大師／曲：吉岡弘行

演唱：吉岡弘行、吳伶雅

はてなきうみに、ただようこぶね、おもいはせぬ。
よきひとよ、ふねはどこへゆくのだろう？
わずかどどまることもなく、にしへのみちびきは
ふっばうのらしんばん。

くらきせかいを、さまよいあみき、おもいはせぬ。
よきひとよ、ふねはどこへ、ゆくのだろう？
わずかためらうこともなく、
にしへとあみきだす、ひかりをころにともし。

苦海中一片茫茫，人生像一葉小舟，

飄泊在海中央。

聰明的人兒，想一想，我們的目標在何方？

一刻不能猶豫，一刻不能停留，

趕快持好佛法的羅盤，

搖向那解脫安穩的西方。

はてなきうみに、ただようこぶね、おもいはせぬ。
よきひとよ、ふねはどこへゆくのだろう？
わずかどどまることもなく、にしへのみちびきは
ふっばうのらしんばん。

くらきせかいを、さまよいあみき、おもいはせぬ。
よきひとよ、ふねはどこへ、ゆくのだろう？
わずかためらうこともなく、
にしへとあみきだす、ひかりをころにともし。

娑婆界黑暗無光，人生像一個盲者，
徘徊在歧路上。

聰明的人兒想一想，我們的歸宿在何方？

一刻不能徬徨，一刻不能妄想，

趕快點亮心靈的燈光，

走向那清淨快樂的西方。
