

**Dear Sirs, Fo Guang Shan Temple**

It was with great sadness that we received the news of the passing away of Ven. Master Hsing Yun. It is a profound loss for the Buddha Dharma, the Buddhist community and the world, especially in these difficult times that humankind is facing. Master Hsing Yun legacy and life example was a source of guidance and hope, that also reached Portugal, with his visit in 2004 and the establishing of Buddha's Light International Association in our country.

On behalf of Portuguese Buddhist Union we respectfully offer our wishes for Master Hsing Yun swift and auspicious rebirth into this world, and that his compassionate activities and legacy continue to endure and benefit Buddha's teachings and beings.

Sincerely,

Diogo Lopes
