We have just heard the sad news of the passing of Venerable Master Hsing Yun. The Sangha and members of the Buddhist Society of Western Australia (BSWA) wish to convey our deepest condolence to BLIAWA for this great loss.

We remember Master Hsing Yun as one of the most influential Chinese Buddhist monks, having founded Fo Guang San Buddhist Order as well as the affiliated Buddha's Light International Association. His propagation of 'Humanistic Buddhism' has also impacted the lives of many in this world. Besides spreading the Dhamma, Master Hsing Yun's establishments are also well recognised for their charitable and educational initiatives.

Closer to home in Western Australia, we are pleased to have crossed paths with BLIAWA over the years, which is notably one of the over 300 temples that Master Hsing Yun has established across the globe.

Once again, our condolences for the passing of this great master while remembering the legacy of his compassion.
