The Chairperson of Fo Guang Shan Melbourne

Dear Most Venerable,

The Buddhist world is deeply grieved by the news of the loss of Great Master Hsing-Yun. The contribution of the Great Master to the world through his Humanistic Buddhism teaching and practised by Fo Guang Shan members has profoundly fully realised the Buddha's teaching in a variety of fields. Beyond Taiwan and the Buddhist world, his legacy has touched the hearts of innumerable sentient beings. I have learned and implemented his teachings in numerous Dharma efforts.

On behalf of the Dhammakaya Society of Victoria, Inc., I extend my most heartfelt condolences to all followers of the Great Master and members of the Fo Guang Shan Dharma Assembly.

May the teachings of Great Master Hsing-Yun illuminate our path for the benefit of all sentient beings until they have all attained the highest enlightenment.

Yours faithfully,

Senior Venerable Ronrawee Chainirattisai
President
