

Dear Vicky,

We have received with sadness the news that Venerable Master Hsing Yun has ended his earthly pilgrimage.

We give thanks for his life and work that continues through the work of Fo Guang Shan Temples, all the monks and volunteers connected with them.

Memory of your founder will continue to live through all of you!

Please extend to Abbess Manshin and the whole community of FGS Temple sincere condolences on behalf of Dean Anne, myself and the whole Cathedral community.

As we cherish our connections of good will which we have, we will offer auspicious prayers for all of you in this period of grief, but also thanksgiving!

Sincerely,

Ivica Gregurec
