

Please pass on my condolences on the passing of Venerable Master Hsing Yun. I am thankful and feel fortunate that I saw his video message a few weeks ago at the dinner at the temple.

I am also glad that I have the 366 days of wisdom book so that I can still remain connected to his teachings that help me reflect on my own life journey each day.

Ngā mihi,

Heath McNeil  
*Leader of Learning*  
Ormiston Primary School
