Please accept my deepest condolences on the passing of the Founder Venerable Master Hsing Yun.

I recognise what a significant event this must be for you and for all at the Fo Guang Shan Temple in Margaret Street, as for all members of the order and of BLIA, across the world and perhaps particularly in Taiwan.

Westminster Faith Exchange greatly appreciates the involvement in our work of the people of the Temple. This includes both ordained and lay people, as well as your children and young people, whose contributions in the fields of art and performance have been a delight. I hope this strong relationship with Westminster City Council will long continue.

Please be assured that you will be much in our thoughts at this time.

With very kind regards,

Councillor Ruth Bush
