Passing of Venerable Master Hsing Yun

The passing of the Fo Guang Shan founder, Venerable Master Hsing Yun, is a moment of deep sadness for his followers, and I send my sincere condolences to all in New South Wales who grieve his loss.

The Venerable Master has served the Buddhist community across the globe, but has had a significant influence on the Buddhist community in NSW.

His legacy in founding Buddha's Light International Association, is commendable for its focus on service and charity for those in need.

The Nan Tien Temple stands tall in the hills of the Illawarra as a monument to his life of devotion and humanity.

I send ease and grace to the followers of Venerable Master Hsing Yun, as they gather to celebrate his remarkable life.

Yours sincerely,
